In order to resolve this matter, the Nebraska Department of Insurance (“Petitioner”), by and through its attorney, Megan VanAusdall, and Jaret Eitzmann, (“Respondent”), mutually stipulate and agree as follows:

JURISDICTION

1. Petitioner has jurisdiction over the subject matter and Respondent pursuant to Neb. Rev. Stat. §§ 44.101.01, and 44-4047 to 44-4067.
2. Respondent has been licensed as a resident insurance producer under the laws of Nebraska at all times material hereto.

STIPULATIONS OF FACT

1. Petitioner initiated this administrative proceeding by filing a Petition and Notice of Hearing, captioned State of Nebraska Department of Insurance vs. Jaret Eitzmann (NAIC National Producer #21075074), Cause Number A-2430, on March 30, 2026. A copy of the Petition and Notice of Hearing were sent to the Respondent at his registered address by certified mail, return receipt requested, and by regular U.S. mail. Respondent acknowledges receiving proper Notice of these proceedings.

2. Respondent is alleged to have violated Neb. Rev. Stat. §§ 44-4059(1) (b), and 44-1524 (1), pursuant to 44-1525(11), as follows:

- a. On August 13, 2024, Petitioner's Office received a complaint alleging that Respondent while licensed as a resident insurance producer, made a presentation to sell the consumer a different Medicare Supplement Plan other the plan the consumer was already enrolled in under another carrier. Complainant declined the plan during a phone call, and complainant's son again declined new coverage for complainant when an insurance agent visited the Complainant's home, but Respondent issued a policy after both the complainant and her son declined coverage.
 - i. Complainant received an Explanation of Benefits from "Wellabe," a carrier incorporated under Medico Life and Health Insurance Company ("Medico"), for claims processed from June 14, 2024 to August 19, 2024.
 - ii. Date of the incident was not mentioned in the complaint, but the complaint was filed on August 13, 2024.
- b. On August 16, Petitioner's Office, through investigator Renee Foster, ("Foster"), attempted to contact Medico, by sending an inquiry letter by email and regular mail, asking for a response to the complaint.
- c. On August 16, Petitioner's Office, through Foster, attempted to contact Respondent by email and regular mail, addressed to Respondent's residential and mailing address, asking for a response to the complaint, details of the timeline involved, and other information.
 - i. The email was addressed to Respondent's business email on record, J.EITZMANN@ASB.INSURE, and was returned to the Department with an email message with the subject line "FW: [Postmaster] Email Delivery Failure." The notice of failure to deliver stated "[t]he message you sent to j.eitzmann@asb.insure<mailto: j.eitzmann@asb.insure> couldn't be delivered due to: Recipient email address is possibly incorrect."
 - ii. Due to the notice that the email had not been delivered to Respondent's business email address, Foster sent a second email message on or about

August 16, 2024, addressed to Respondent's personal email address on record, Jareteitzmann@icloud.com, along with a copy of the previous inquiry letter. Foster also informed Respondent in this message of the invalid business email address and informed Respondent of his duty to provide accurate contact information to the Department.

- d. On August 16, 2024, Respondent replied to Petitioner's Office, specifically in response to Foster's prior email message, stating that the email listed in the Department's records as his business email address was incorrectly spelled, which likely caused the notice of failure to deliver. Foster replied to this email message on the same date, August 16, 2024, thanking Respondent for quickly responding, but again explaining that it was Respondent's duty to provide accurate contact information, including email addresses, as the Department does not and cannot make such changes to the record.
- e. On August 19, 2024, Medico responded to the Department's request for more information concerning the Complainant and un-authorized coverage issued to her. Medico stated they had received a call from Complainant on May 31, 2024, advising that she did not sign up for the coverage or wanted it. Medico terminated the policy at her request, as though it was never issued, and included the relevant records in their response.
- f. On or about August 27, 2024, Respondent replied to Foster's inquiry letter incompletely, via an emailed message, and did not provide a lead list as requested. In response, on or about August 28, 2024, Petitioner's Office, through Foster, attempted to contact Respondent via email, requesting a copy of the missing lead list.
- g. On August 30, 2024, the letter mailed August 16, 2024, was returned to Petitioner's Office as insufficient address, unable to forward.
- h. On September 4, 2024, Petitioner's Office, through Foster, sent a follow up request to Respondent, by email, attaching a copy of the August 28, 2024, letter, and reiterating the request for a response.
- i. On September 10, 2024, Respondent replied with a screenshot of a computer screen.

- j. On September 11, 2024, Barbara Peterson, the administrator at the time of the Insurance Complaints Division, took over from Foster and, representing the Petitioner's Office, sent an email to Respondent stating that the full list was required and asked for vetting information to verify accuracy.
- k. On September 11, 2024, Peterson also sent a follow-up letter to Respondent by regular mail, stating the need for a complete copy of the list and informing Respondent that the previous response was not acceptable. Details were given as to what was needed and a response was due October 2, 2024.
 - i. As of the time of writing, Respondent has not provided a response to Petitioner's Office.

3. Respondent admits the allegations in Paragraph 2.

4. Respondent was informed of his right to a public hearing. Respondent waives that right and enters into this Consent Order freely and voluntarily. Respondent understands and acknowledges that by waiving his right to a public hearing, Respondent also waives his right to confrontation of witnesses, production of evidence, and judicial review.

CONCLUSIONS OF LAW

Respondent's conduct as alleged above constitutes violations Neb. Rev. Stat. §§ 44-4059(1)(b) and 44-1524 (1), pursuant to 44-1525(11), and Respondent is subject to disciplinary action pursuant to Neb. Rev. Stat. §44-4059.
