CONCLUSIONS OF LAW

1. The Department has broad jurisdiction, control, and discretion over the licensing of insurance producers in the State of Nebraska pursuant to Neb. Rev. Stat. §§ 44-101.01 and 44-4047 et seq.
2. The Department has personal jurisdiction over Respondent.
3. Pursuant to Neb. Rev. Stat. § 44-4059, provides that the Director may refuse to issue or renew an insurance producer’s license for several reasons including: ... (b) Violating any insurance law or violating any rule, regulation, subpoena, or order of the director or of another state's insurance commissioner or director; . . . (f) Having been convicted of a felony or a Class I, II, or III misdemeanor.
4. Respondent violated Neb. Rev. Stat. §§ 44-4059(1)(b) and (f) as a result of the conduct found in paragraphs 4 through 7 in the Findings of Fact and as evidenced by the relevant exhibits received.

DISCUSSION

At the hearing, the Department presented sufficient evidence of proper service of notice of these proceedings upon Respondent. The Department served Respondent via certified mail, return receipt requested and regular U.S. mail to the Respondent’s registered address. The Department also

served the Respondent via electronic mail and received confirmation that the email was delivered to the Respondent's registered email address. Based upon the evidence of record, the Department's service of the petition and notice of hearing upon Respondent at the addresses of record was sufficient and jurisdiction over the actions of the Respondent in this matter has been established.

The uncontested evidence shows that Respondent misrepresented his past criminal misdemeanor convictions on his licensing application to obtain a license. The Respondent has a felony and numerous misdemeanor convictions in Nebraska and has offered no explanation of the convictions nor for the omissions on his application.

These actions constitute a violation of Neb. Rev. Stat. § 44-4059(1)(b) and (f).

RECOMMENDED ORDER

Based on the Findings of Fact and Conclusions of Law, it is recommended that Respondent's resident producer's license be revoked. The Nebraska Department of Insurance shall retain jurisdiction of this matter for the purpose of enabling Respondent or the Department of Insurance to make application for such orders as may be necessary.
