Understanding Medicare Advantage Plan Benefits

Plan Overview

Monthly Premium - The dollar amount you owe to have this insurance. Part B premiums are paid in addition to this monthly premium.

Medicare Deductible - The amount you pay for health care services before your insurance begins to pay. Reach out to the plan for details on what applies to the deductible. Prescription drug costs do not count towards this deductible.

Out-of-Pocket Limit - The most you could pay for covered services in the year. After you spend this amount on deductibles, copayments, and coinsurance, your plan pays 100% of the costs of covered benefits. The **out-of-pocket** limit doesn't include monthly premiums or the cost of prescriptions.

Benefits and Costs

Copays - A set amount that you pay for a specific health care service. Each service has its own unique copay. Typically you pay copays after your deductible has been met.

Coinsurance - A percentage you pay for a specific health care service. Typically you pay coinsurance after your deductible has been met.

Prescription Coverage

Most Medicare Advantage plans have prescription coverage included, therefore you cannot purchase a separate Part D plan. In some instances, such as a Cost Plan, a Part D plan may be added. Deductibles, copays and coinsurance will apply to prescriptions and do not count towards the Medical Deductible or out-of-pocket limit.

Plan Name, Plan Type and Number

HMO - This type of plan has a network of providers (doctors, hospitals, specialist, etc.). Enrollees must use in-network providers in order for the plan to cover the service, some plans may offer exceptions to this policy.

PPO - This type of plan has a network of providers. Enrollees who use in-network providers typically pay less out-of-pocket. If an out-of-network provider is used, the service will be more expensive.

PFF - This type of plan does NOT have a network of providers. Enrollees must check with their providers before each visit to ensure they will accept the plan.

Cost - This type of plan has a network of providers. Enrollees who use in-network providers typically pay less out-of-pocket. If an out-of-network provider is used, standard Medicare Parts A and B costs apply.

Extra Benefits

Dental Coverage - Coverage for dental expenses. The amount listed is the total the plan will pay for dental care in the calendar year. Some plans require the use of network dentists, others offer reimbursement for any dentist. Contact plan for details.

Vision Coverage - Coverage for vision expenses. The amount listed is the total the plan will pay for vision care in the calendar year. Some plans require the use of network providers, others offer reimbursement for any provider. Contact plan for details.

Additional Benefits - Benefits often include assistance with **hearing services** including hearing aids, **fitness benefits** such as a gym membership, and **over-the-counter (OTC)** medication. Contact the plan for a full list of their specific additional benefits.
