SUBJECT: Preliminary Individual and Small Group Rates Released

Please find below a link to the federal government's rate review website which is anticipated to publish the ***proposed*** rates for the individual and small group health insurance markets for Nebraska. **THESE RATES ARE NOT FINAL.**

The rates are subject to adjustment until final publication which will occur at a later date. Additionally, the federal government's site may display a general percentage of rate increases or decreases for the plan as a whole, however that percentage may vary depending upon circumstances unique to the individual or group. In individual situations, rates may have increased or decreased by a different percentage.

The rate review website is located at <https://ratereview.healthcare.gov/>.
