Understanding Medicare Advantage Plan Benefits

Plan Overview

Monthly Premium - The dollar amount you owe monthly in addition to the Part B premium to be a plan member.

Medicare Deductible - The amount you pay for health care services before your insurance begins to pay. Reach out to the plan for details on what applies to the deductible. Prescription drug costs do not count towards this deductible.

Out-of-Pocket Limit - The most you could pay for covered services in the year. After you spend this amount on deductibles, copayments, and coinsurance, your plan pays 100% of the costs of covered benefits. The out-of-pocket limit doesn't include monthly premiums or the cost of prescriptions.

Benefits & Cost

Copays - A set amount that you pay for health care service. Each service has its own unique copay. Typically you pay copays after your deductible has been met.

Coinsurance - A percentage you pay for a specific health care service. Typically you pay coinsurance after your deductible has been met.

Costs shown are in-network values unless noted as 'out'. Out-of-network costs may be higher.

Prescription Coverage

Medicare Advantage plans may include drug coverage. Deductibles, copays and coinsurance will apply to prescriptions and do not count towards the Health Deductible or out-of-pocket limit.

Outpatient Hospital Care	\$0 - 445 per visit
Skilled Nursing Facility Care	\$0/day 1-20, \$218/day 21-100
Ground Ambulance	\$290
Physical Therapy	\$50
Prescription Coverage	
Drug Deductible	No Drug Coverage
Extra Benefits	
Dental Coverage	Yes - up to \$1,000
Vision Coverage	Yes - up to \$200
Additional Benefits	Hearing, Fitness, OTC—\$65/qtr., & other benefits. See Plan materials

Plan Name and Type

HMO - This type of plan has a network of providers. Enrollees must use in-network providers in order for the plan to cover the service, some plans may offer exceptions to this policy.

PPO - This type of plan has in-network and out-of-network providers. Enrollees who use in-network providers may pay less out-of-pocket. Enrollees who use out-of-network providers may pay more out-of-pocket.

Cost - This type of plan has a network of providers. Enrollees who use in-network providers may pay less out-of-pocket. If an out-of-network provider is used, standard Medicare Part A and B costs apply.

SNP - This type of plan has a network of providers. Enrollees must meet specific requirements to enroll into a Special Needs Plan (SNP). Costs will vary.

Extra Benefits

Dental/Vision Coverage - The amount listed is the total the plan will pay for care in the calendar year. Some plans require the use of network providers, others offer reimbursement for any provider. Contact the plan for details.

Additional Benefits - Benefits often include assistance with hearing services including hearing aids, fitness benefits such as a gym membership, and over-the-counter (OTC) medication. Check the plan's Evidence of Coverage or contact the plan for a full list of their specific additional benefits.
