

Community Action of Nebraska Proposed Navigator Service Area

There are currently nine Community Action Agencies (CAA's) in the State of Nebraska. The agencies cover all 93 counties in Nebraska providing a myriad of human service programs. Each CAA is unique to meet the needs of the service area. Established in 1965, CAA's are well known in the communities that we serve and provide quality and comprehensive program services specializing in enrollment, community services outreach, education, health, housing, nutrition, senior, and volunteer services.
