The grand total amounts from this supplemental form are to be recorded on the main quarterly report. Total of Column B is to be recorded in Column 8 of the main form. The total of Column D is to be recorded in Column 10 of the main form. The filer is to leave blank the Tax Rate Column (Column 7) on the main report.

These rates are being provided as a good faith effort to provide agents/brokers with the applicable rates as were established by other states, as were determined in November 2015 by the NDOI. Such amounts pertain to taxes only, and do not include fees and assessments. Agents/brokers are encouraged to use the most current and accurate information available when completing the quarterly filing. The rates are subject to change.
