NOTICE

To: All Insurers Licensed to do Business in Nebraska

From: Bruce R. Ramge, Director of Insurance

Date: March 27, 2020

RE: Insurer Accommodations to Policyholders or Claimants Developed in Response to COVID-19

The Nebraska Department of Insurance has received questions from some insurers asking if it is permissible for an insurer to relax certain requirements such as notice of loss requirements, premium payment provisions, and cancellation and non-renewal timeframes. In addition to questions whether such accommodations would create a regulatory determination of unfair trade practices, insurers have asked what filing requirements or amendments to existing filed rate and form filings are necessary.

If an insurer administers accommodations on a consistent and fair basis, the Nebraska Department of Insurance does not consider them to be violations of the Nebraska Unfair Trade Practices Act, the Nebraska Unfair Claims Settlement Practices Act nor associated regulations.

Amendatory filings and prior approvals for accommodation practices will not be required by the Department at this time, however, an informational email to the appropriate department division is requested.

- Email the Department's Life and Health Division at **Life and Health Division**
- Email the Department's Property and Casualty Division at **Property and Casualty Division**

Any additional questions regarding this Notice may be directed to the appropriate division listed above.
